

## Special Meeting at Gornal Baptist Church

We thank God for the opportunity to hold a special Church Support Fellowship meeting in Gornal Baptist Church, Lower Gornal, in April. A number of visitors joined the church members for the mid-week meeting.

It was led by Roland Burrows. Richard Clarke preached helpfully on Mark 16:20 “The Lord working with them.” As the Lord’s people (“them that believe” 16:17), we are given an opportunity to reach out to others in the confidence that the Lord is with us as He was with the disciples, “working with them”. The disciples “preached everywhere” (Mark 16:20) and we should follow their example and reach out with the Gospel to those who live around our churches, taking courage from the fact that the Lord is with us.

Please pray that the Lord will bless, lead and guide the members and leadership at the church in Gornal as they seek to serve Him.

### Making Contact across the Country

We are thankful for **Roland Burrows** and all he does in contacting churches on behalf of the Church Support Fellowship.

Since retiring from the pastorate, he has been able to use his enthusiasm and energies in this new work. His willingness to travel the length and breadth of the country has been invaluable.

### Creating Websites for Churches

Two churches have now had **websites** developed through their link with Church Support Fellowship. This gives churches an online presence in this digital age and has caused them to become more widely known.

We are grateful to Philip Hambridge for using his expertise to help with this.

### Church Reopening in Otley

Members of CSF have worked with others and, as a result, we thank God that the **Baptist Chapel in Otley** has re-opened. There will now be church services on the first Sunday in the month at 3pm. There will also be weekly prayer meetings on Monday evenings. Pray the Lord will bless this work and bring glory to His name.
