

Church Support Fellowship Conference Meeting

The Church Support Fellowship is holding its **first conference meeting** at Gornal Baptist Church, Robert Street, Lower Gornal, Dudley DY3 2AZ on Saturday 29th March 2025 starting at 2.00pm.

There will be short presentations about the work of the Church Support Fellowship after which Stephen Ford (Lordshill Baptist Church, Snailbeach) will preach. There will be light refreshments afterwards. You are all welcome to attend.

We are grateful to the church at Lower Gornal for welcoming us and providing the facilities for holding the conference meeting.

Helping Pastors across the Country

We are glad to be able to assist some **pastors** financially, either with one-off gifts or with a small monthly donation.

We are aware that some pastors in small churches struggle financially. Some need to do 'tent-making' i.e. have a secular job as well as being the pastor of a church.

Creating Websites for Churches

We are grateful to Philip Hambridge for developing **websites** for churches. This gives an online presence in this digital age, so churches become more widely known.

We are also grateful to him for creating the Church Support Fellowship website:
www.churchsupport.org.uk

Church Reopened in Otley

The **Baptist Chapel in Otley** has re-opened with church services on the first Sunday in the month at 3pm. There are also weekly prayer meetings on Monday evenings.

We trust the Lord will bless this work and bring glory to His name.

We look to the Lord to lead and guide us in this work as we seek to support churches and pastors.

"Be watchful, and strengthen the things which remain." (Revelation 3:2)
